Dear Dharma Students:

Lama Pema is traveling a bit from now until the end of the year. I hesitate to post the full teaching schedule as of yet, as I am still working on some of his travel dates. I know it gets quite frustrating if I email dates, then end of canceling...Once I have the complete Fall 2008 schedule, I will send to you.

If anyone has any questions, please email me: sangye@aol.com.
